Joy is what  
we experience  
in the process  
of growing  
nearer  
to the goal  
of becoming  
ourselves.

Erich Fromm

Very little is needed to make a  
happy life. It is all within  
yourself, in your way of thinking.

To know where you are is a good thing; but it is as important and perhaps more so, to know where you are going.

Quarterly Magazine

We have grown strong  
given a steady stronghold  
the roots of the earth.

Shaded by doubt,  
we've outweighed the misgivings  
and reach further into their depths.

As a result, we stand tall.  
We move onward  
with outstretched minds.

From the values nurtured  
we will blossom forth  
the fruit of past experience.

We came unnoticed,  
but leave with purpose and direction  
the very essence of the earth.

C.M.

No bird soars too  
high, if he soars  
with his own wings.  
William Blake

Now this is not the end.  
It is not even the beginning of the end.  
But perhaps the end of the beginning.  
- Winston Churchill

## Dedication

We, the graduating Class of 1978, dedicate our yearbook to MISS MARY MALLEY, a remarkable woman who has dedicated her life to teaching the students of Enfield. Her outstanding professionalism and optimistic attitude toward life continue to serve as an inspiration to all who are acquainted with her.

After 43 years of being teacher, department head, and friend, she has retired from the Enfield school system. We feel that without her and the support of the English Department, our years at Fermi would not have been complete. Together with Miss Malley, the English Department has contributed to the molding of our characters and has provided a foundation for our future.

We wish to extend sincere appreciation to Miss Mary Malley and to the English Department without whom we would not have had such memorable years.

Thank you,  
The Class of 1978

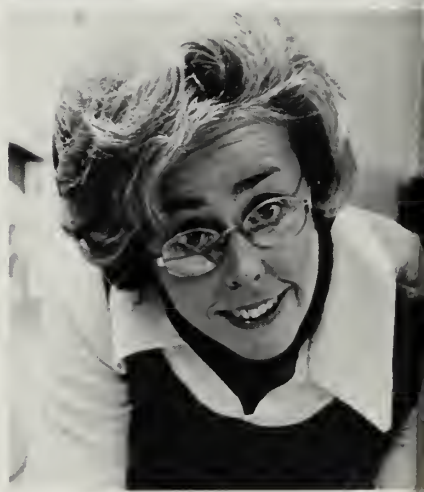

Because of your strong faith  
 I kept the track  
 Whose sharp-set stones my  
 strength had well-nigh  
 spent.  
 I could not meet your eyes  
 if I turned back;  
 So on I went.

Because you would not yield  
 belief in me,  
 The threatening crags that  
 rose my war to bar,  
 I conquered inch by crumbling  
 inch — to see  
 The goal afar.

And though I struggle toward it  
 through hard years,  
 Or flinch, or falter blindly,  
 yet within,  
 "You can!" unwavering my spirit  
 hears  
 And I shall win.

# Administration

As we bid farewell to the Class of 1978, I congratulate all of you upon your graduation and the vital role you have played in establishing the real worth of our school which is determined by the quality, spirit and determination of those of us who form it. You have presented a continuing challenge to us to do better with a resulting mutual interest in becoming finer in every area of school life.

I urge you to use the knowledge and experience you have gained here throughout your adult life in helping the community in which you live. No matter what your profession or occupation, your learning will open doors of greater opportunity and success for you and, because it has provided you with a greater understanding of others, you can put it to practice with consideration and thoughtfulness.

Your perseverance to your ideals based upon the knowledge you have gained throughout your twelve years will earn for you a respected place in the society of your fellows. You have earned your diplomas, and you have proved yourselves mature and responsible young men and women. We are proud of you and look forward to your future as members of Enrico Fermi High School Alumni.

Sincerely,

A handwritten signature in cursive script that reads "Mario A. Gentile".

Mrs. Catherine Warren, Dept. Head

The Enrico Fermi Guidance Department has developed programs and held individual counseling sessions in order that you, the seniors, would be better prepared to meet tomorrow. Use of our services was your choice — your future is your choice. We wish you every happiness in your careers as well as your personal lives. We welcome your return after graduation for whatever assistance we can provide.

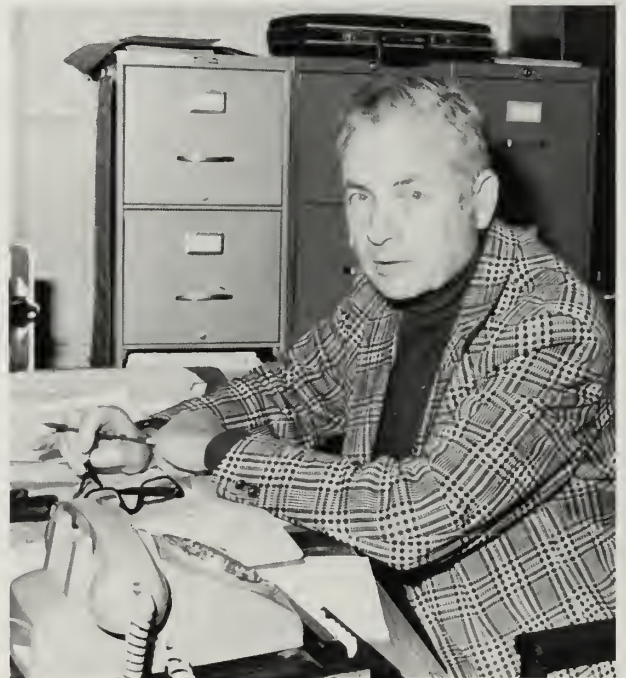

I know of no way of judging the future but by the past.  
— Patrick Henry

# Mathematics

**Sitting L — R:** Mrs. Cathy Lataille, Mrs. Carol Jones, Mrs. Lynn Pasco, Mrs. Mary Ann Holmes. **Back Row:** Mr. Kendall Owens, Mr. William Barker, Mr. Joseph Scherr, Mrs. Sadie Marek, Mr. Eugene Ryczek.

The variety of courses offered by the Mathematics Department lends itself to the needs and interests of the individual student. The curriculum is designed to motivate the student into learning mathematical concepts necessary to solve the problems which may confront him in the future. We hope ultimately to inspire a genuine mathematical curiosity which will be carried on through the years.

Mr. Joseph Scherr, Dept. Head.

# Foreign Language

Mr. Raymond Mercik, Dept. Head

The Foreign Language Department focuses on humanistic goals which provide the student with opportunities to fulfill both utilitarian and effective needs.

# Business

There is no future in any job. The future lies in the man who holds the job.

George W. Crane

Mrs. Henrietta Montagna, Dept. Head.

The Business Education Department provides students with career educational opportunities for entering the business world upon graduation. The course offerings also provide students with specific preparation for higher education in specialized business careers. Students learn the principles of civic responsibility and effective social behavior as they affect the business community.

Students are encouraged to accept challenge and undertake leadership roles by actively participating in FBLA (Future Business Leaders of America) and DECA (Distributive Education Clubs of America).

# Industrial Education

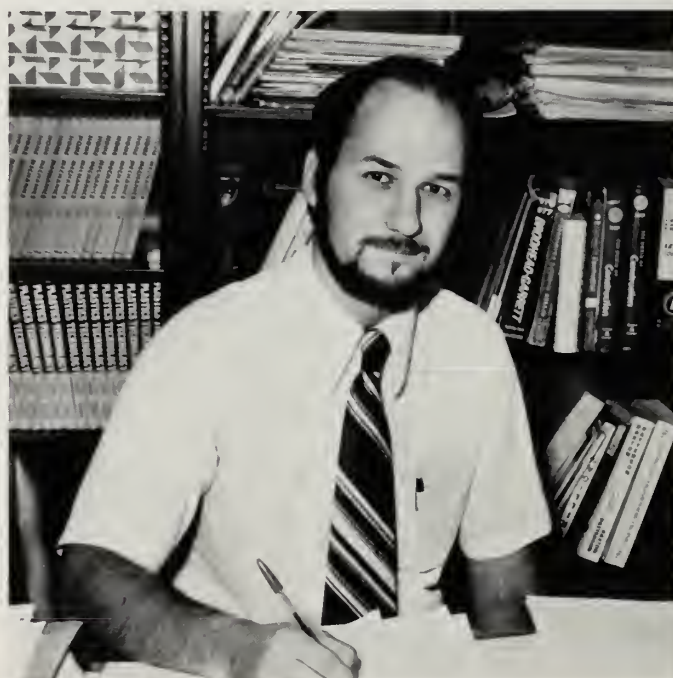

L TO R — Mr. William Scudieri, Mr. Gary Fairwood, Mr. Jimmy Hodrinsky, Mr. Frank Tokas, Mr. Stephen Formanek, Mr. Wayne Hoffman

Industrial Education is an activity-oriented curriculum area concerned with problems of an industrial nature, and how to solve these problems. This may be accomplished by recognizing and defining problems, thinking critically and objectively about them and acting constructively and creatively toward their solution.

Observation more than books, experience rather than persons, are the prime educators.

The role of science teaching at Fermi is to create a variety of situations which challenge students to think, question, investigate and draw conclusions. The end result of our efforts is the development of individuals who can successfully analyze and evaluate the technical and scientific issues of energy production, food production, preservation of our environment, disease control, genetic experimentation, animal extinction, and many other issues that may, in the final analysis, determine the survival of mankind.

Go forward with hope and determination in an effort to fulfill your ambitions. As we explore the path for our future, Fermi will be a part of all our memories. The spirit we have developed while working together has brought unity to our class. We have shared friendship, laughter and some disappointments as we have progressed through Fermi. Our many efforts to win the Homecoming float contest have been disappointing, but our class spirit has never been outpowered. This was evident when we reached our goal of 19,000 dollars in the Magazine Drive setting a new school record.

As you advance in life "enjoy your achievements as well as your plans." Therefore, be what you want to be and strive for high ideals!

To the faculty we give our thanks in appreciation of their sincere effort on our behalf.

In the years to come, when you look back of these pages, I am sure you will remember not only the hard work, but the many pleasures we have shared. Be diligent, cheerful, and strive for happiness.

The 1977 Football team was one of the best in Fermi history. A fine group of seniors paved the way to a successful (6-3) season, good enough for third place in the CCIL. Two midseason shutout defeats at the hands of Conard, 8-0, and Simsbury, 6-0, could easily have been reversed and given the Falcons a spectacular 8-1 mark. Congratulations must go to the fine defensive unit which allowed just 73 points in 9 games, an 8.1 average.

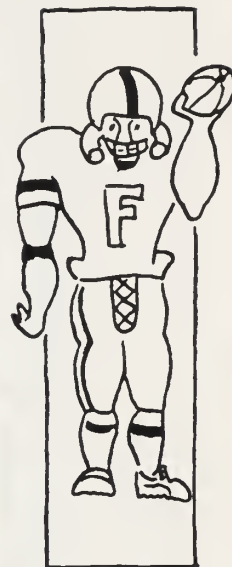

I would also like to commend the captains, Santo Lombardo, Tom Puleri, and Jerry Lovell, for their outstanding leadership on and off the field. Lombardo rushed for 861 yards while Puleri accumulated 576 yards. Players who received All-CCIL recognition were as follows: Mike Whalen, first team offensive and defensive tackle, one of only two players to gain honors going both ways; Santo Lombardo, first team offensive guard and second team halfback; Jerry Lovell, first team offensive guard and second team defensive guard; Paul Canone, second team quarterback; Dave Miller, second team linebacker; Tom Puleri, Jim Sroka, and Bob Brewster all received honorable mention.

The great desire and will to win of this year's team carried them through the rough times and to a school record of six victories. Topping off the fine season was a 26-7 victory over crosstown rival Enfield on Thanksgiving Day.

JUNIOR VARSITY SOCCER TEAM

#### Soccer — 1977 Season:

It has been said that "not one man does a team make." As it is applied to the 1977 Soccer Team, it might be said that "truer words were never spoken." The team consisted of such balance that it became difficult to select a most valuable player for the game; this speaks highly for the tri-captains of the team who kept the team working as one — the dream of all coaches.

The season ended with a record of 4 wins, 9 losses, and 1 tie. To say this is indicative of the team's play would be a lie. In seven of the nine losses, Fermi was in the game to the final moment — rarely losing by more than one goal. It is felt that next year will be a better year since we have a Junior Varsity team that will take over where the Varsity left off.

Left to Right: Captain: Lynn DaPrato, Kelly O'Brien, Carol Mon

You know its time to stop swimming when:

- . . . You feel naked without your goggles on
- . . . You have more medals than General Patton
- . . . You're 18 before you learn that not everyone tells time with a stop watch.
- . . . You've gone through two cases of waterproof mascara.
- . . . You furnish the school "Car Wash Committee" with 75 rags just

by cleaning out your closet of old swim suits.

- . . . Your boyfriend asks you to get married and you say, I'll have to ask my coach.
- . . . You put chlorine in your bath water in order to feel more "at home".
- . . . You have to read "From The Gutter" to decide whether to retire from competitive swimming.

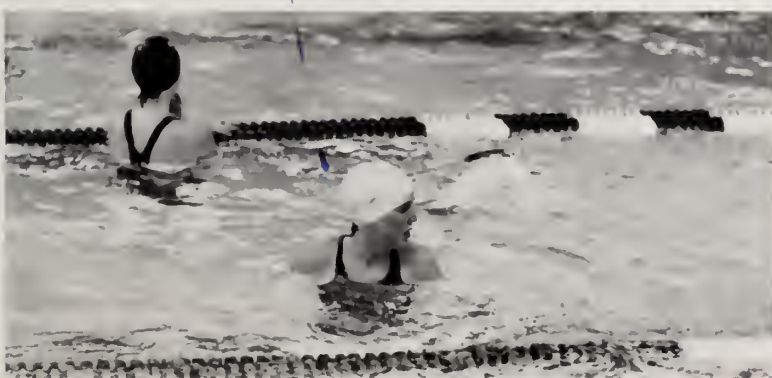

Our 1977 team was led by tri-captains Kelly O'Brien, Lynn DaPrato, Carol Mon. This was what is known in the sports world as a rebuilding year with only nine junior and senior members and 15 sophomores on the team. Many of the sophomores showed marked improvement as the season progressed and we proved to be a formidable opponent to all during the second half of the season. Even though the win-loss record was only 1-10 the team spirit, morale and harmony was high.

School records:

50 yard freestyle — Lynn DaPrato tied 28.7; Lynn DaPrato 100 yard free; 1:02.8 500 yard; Kelly O'Brien 6.32.2 200 yard free; 2.21.3 100 yard Backstroke Carol Mon — 1:16.9

# Cheerleading

Varsity Cheerleaders — **first row** (l-r) — Co-Captains JoAnne Fotos and Kathy Mayo. **Second row** (l-r) — Robin Gilmore, Sue Sheehan, Pattie Slizis, Karen Mayo, Donna Dube, Lynn Zarcaro, Denise Boulanger, and Penny Frew. **Missing from picture** — Franny Koperniak and Chris Moriarty.

The 1977-78 Fermi High Cheerleaders have had a very eventful year. The girls started their practices early last summer and in August, they participated in The University of Connecticut cheering clinic where they achieved recognition by winning three ribbons in team competition. They moved on to the fall season where they cheered for all varsity football games and any other event that involved Fermi and its rival Enfield High.

After football came basketball season in which the girls cheered their team on to many victories.

The cheerleaders also take on the responsibility of coordinating pep rallies, painting posters, and decorating locker rooms.

Our cheerleaders have done an excellent job this year, headed by co-captains JoAnne Fotos and Kathy Mayo, and are a credit to Enrico Fermi High School.

When graduation takes nine starting players from an eleven member team, you know the following season will be a challenge. The 1977 Field Hockey team met the challenge by developing the necessary skills of the game while creating a strong team effort in every game. A won-lost record of 3-10 may look bleak, but a strong foundation has been built for a better season in 1978.

Seniors Pam Thibodeau, Karen Thibodeau, and Leslee Young gave 100% for Fermi, and each girl's individual talents will be missed. Pam shared co-captain duties with junior Lori Delay, and their leadership helped to continue the high level of competition and sportsmanship that Fermi Field Hockey is known for.

The Junior Varsity team members gained invaluable experience while compiling a 4-5-4 record, which should help those girls who move up to the Varsity squad next year.

The hard-working cross country team finally received some rewards for its effort this year. Its first two CCIL wins came at the expense of Penny and Enfield. A very fine team and individual performance on Columbus Day at the K of C Invitational Meet resulted in seven awards. The team finished fourth out of seventeen and individually finished 8, 20, 30, 40, 50 from over 100 runners.

The team that worked so hard will miss its seniors, especially its graduating captains Matt Donelan, Mark Faille and Bob Pfeifer who set excellent examples. Team is the key word, and our team has to do a lot of rebuilding to replace runners of their caliber.

Best of luck to Matt, Mark, Bob, Brian, John, Debby and Wendy.

It was September 22. School had been in session close to 3 weeks, athletic teams of all sorts and sizes 4 weeks! I was suddenly hired as Girls' Varsity Volleyball Coach. Conard and Simsbury in 15 days — FERM'S FIRST VOLLEYBALL TEAM! 9 Seniors, 9 Juniors and 4 Sophomores. We worked hard and fast to prepare ourselves for a very short season — 9 big games, all from October 12 — November 1. Each and every one of those games made us better, more confident and most of all, more experienced volleyball players.

We were not totally defeated. We beat Enfield High 7 out of 8 games. We had a home game against Penny High and they decided to use their best Varsity servers in the J.V. game. but it didn't work — our J.V.'s beat them. And to end our season with a 3-6 record we beat Enfield High, again. Girls — you're terrific!

The Boys' Basketball season was one of streaks, winning a few, then losing. It would have to be considered a disappointment at this stage of the season, since we felt we would do quite well before the season began. As we now prepare for the post-season state tournament, we hope to get things back in gear by ending the season on a positive note.

We would like to wish all the success and happiness to our five fine graduating seniors; Co-Captain Nick Deni, Co-Captain Tony Wingen, Bob Garten, Scott Marek, and Bruce Mackay. They gave their all, and they will be missed.

To the Fermi Falcon fans, we thank you for your support.

The 1978 Girls' Basketball team, despite being plagued with injuries, ended its season with a 5 and 15 record. The team was composed of two seniors, seven juniors and eight sophomores. This year's co-captains, senior Diane Drouin and junior Jane Korb led the team through a trying yet rewarding season. Senior Drouin, a 3-year starter and team leader, has performed expertly and will be missed. First year player senior Debbie Dufficy who will also graduate played consistently throughout the season. The future of the girls' team is in good hands with Coach Jim Murphy and returning starters, Carrie Blevins, Joyce Langan, Ann Mensinger and Julie Bastone. First year J.V. Coach Ed Provencher, assisted by Carol Moore, student teacher from Springfield College, led the J.V.'s to a 6 and 14 record.

The 1977-1978 Fermi Hockey Team broke a team record for most wins, finishing the season with a 16-3-1 record. This is the fifth straight league-winning season. The team finished second, one point out of first place in the CCIL, and is the first team ever from Northern Connecticut to be ranked second in the state for the Division I state tournament.

Following the state tournament the team will be leaving from New York for Europe. There they will be competing in an International Tournament in Holland.

The Fermi Hockey team has never finished below second place in the league and this is their third straight year as runner-up.

I attribute their success to some fine young athletes who have dedicated themselves to the game and have worked very hard.

High points of the season are big wins over Enfield, South Windsor twice, and a devastating 7-3 victory over state champs Fairfield Prep. Six of the Fermi icemen were in the top 20 in scoring in Northern Connecticut, and three were in the top 10.

There is a lot that could be said about the individuals on this team, but I'd rather say it about the team, "You're the finest young men that I have ever worked with."

Special thanks to the seniors: Captain Ken Richer, Alternate Captain Steve Jensen, Jack Shaughnessy, Rich Sawtelle, Todd Sawamura, Fran Bourque, Nelson Aiken, and Jim Brown.

You will probably never find a group such as this; among these eight seniors are All-Staters, All-Leaguers, and above average hockey players. But they shared one thing with the whole team; they taught themselves how to reach within and challenge their potential to succeed and the ability to play as a team.

Thanks, team.

Fermi Wrestling for 1977-1978 was highlighted by some of the most outstanding wrestlers in the state of Connecticut. The line-up was anchored by 240 lbs. heavyweight captain Mike Whalen. Only in his second year of wrestling, "Whale" is looked upon as one of the premier heavyweights by college recruiters. Other outstanding wrestlers include Jerry Lovell, a dynamic athlete at 167 lbs.; Joe Backus, last years' outstanding wrestler, All-League and All-State at 145 lbs.; Stuart King at 138 lbs., Tim Brodtman at 155 and Bruce Newport at 112; certainly a highly respected group for their skill and toughness throughout our league. Also at 132 lbs. is Jim Mager, a placewinner at the Class LL tournament last year, and a top contender for league and state honors this year.

The team was never at full strength this year due to illness and injury; nevertheless, we managed to hang tough against every opponent.

The team would also like to express their appreciation to all the people who supported us throughout our season.

Tri-captains Jim Arrowsmith, Bill Healey and Eric Pieper did an outstanding job of leading and helping to develop the sophomore dominated 77/78 swim team. Swimming families leaving, Enfield filter replacement (2 weeks), postponed and cancelled meets (snow), all contributed to making this one of our more memorable seasons.

Jim Arrowsmith broke his own record in the 100-yard backstroke (1:00) and Bill O'Brien broke the pool record at Wethersfield in the 500-yard free-style (5:23:6). Eric Pieper became the first diver to score over 200 points since Jim Gavin's great accomplishments in 1973. The tremendous improvement demonstrated by many of the sophomores and juniors this year makes the outlook for the 78/79 season look very promising.

**STATE QUALIFIERS:** Jim Arrowsmith, Bill Healey, Mark Ottman, Ted Fournier (200 yard medley relay) Bill O'Brien (200 yard and 500 yard freestyle) Jim Arrowsmith (100 yard backstroke) Bill Evans, Ted Fournier, Bill O'Brien and Jim Arrowsmith (400 freestyle relay) Bill Healey (100 yard breast stroke).

## CURRENTS

### Sadat And Begin Confer

Sadat's trip to Israel was an historic event. By the trajectory of his 28-minute flight from a base in the Canal Zone to Tel Aviv's Ben Gurion Airport, Egyptian President Anwar Sadat changed the course of Middle East for generations to come.

More emphatically than anything that has happened there since the birth of Israel in 1948, his extraordinary pilgrimage transformed the political realities of a region blackened and embittered by impermeable hatred and chronic war. Not in three decades had the dream of peace looked so real.

Sadat said "We used to reject you, true. We refused to meet you

anywhere, true. Yet today we agree to live with you in peace and justice. Israel has become an accomplished fact recognized by the whole world and the "superpowers." We welcome you to live among us in peace and security."

### The King Lives On

Elvis Presley, the "King of Rock and Roll" died August 16, 1977, leaving a generation behind.

In the 1950's Presley changed American entertainment. His twisting hips enraged adults but thrilled thousands of

teenagers. It was his style that paved the new road in music.

Born on January 8, 1935, he was 18 when he cut his first record. In the course of his career he sold 6,000,000,000 records and made 33 movies.

## Falcons Tame Raiders

For the first time in three years, the mighty Falcon football team crushed the crosstown rival, Enfield High, in the big Thanksgiving Day game!

Spirits were high that day on both sides of the field, and there was an emotion-packed game, but the Falcons came out on top.

Enfield High was held completely scoreless until the last few minutes, but the important thing was the Falcon's victory.

### FASHION NEWS

The key for fashion in 1977-1978 was "you". Fashions presented the opportunity for an expression of the individual. The look was different, but the flavor the same, something "just for me."

Clothes were easy, casual or elegant and airy. Colors varied from the bold and dramatic to the soft and subtle.

Jeans, jackets, boots and warm layers with a snap of plaid made the fashion scene. The spotlight fell upon trench coats, big sweaters, fitted vests, gauchos, tuck-ins, tailored jackets, accessories and hair styles.

Hair fashion focused on freedom; it was versatile, long, wavy, sassy short, twisted up, wisped around.

Remember: Levis, moccasins, and a plaid shirt; Frye boots, gauchos and a silky blouse or a tailored jacket and corduroy pants.

## The Signs Of Our Time

Cars are the most important means of transportation in America, and Fermi's parking lot proves it. Nearly everyone at Fermi learns to drive at sixteen and soon after begins using the family car for transportation to and from school.

A brief look around the Fermi parking lots shows that small cars are popular. Four-cylinder cars like the Subaru, Honda, and Toyota are economical and have thus become another sign of the times since the

lowest price of gas is 58.9.

But bigger cars like LTD's, Trans AMs, and Monte Carlos are still popular. For those who can afford them, they provide prestige, comfort, and elegance. Sleek and smooth-running, they are probably well worth the extra cost to those who own them.

Vans, too, are popular. Almost everyone would love to own these custom-painted "homes on wheels".

## Igor Leaves With A Bang

Storm Igor, described as the worst storm to hit Connecticut since 1961, claimed the Hartford Civic Center as its most serious casualty. The massive roof of the building collapsed beneath tons of snow, ice, and water before dawn January 18, 1978, virtually destroying the heart of the 70 million dollar facility.

"I can't begin to describe the absolute horror and frustration to think that people were in the

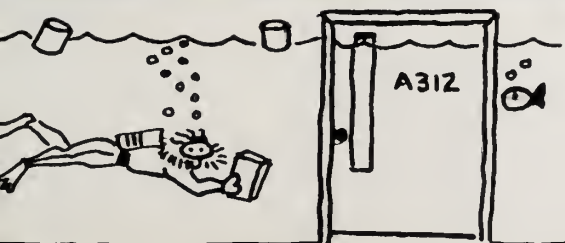

Civic Center, a few hours ago, said weeping Governor Ella T. Grasso."

The 10,000 seat coliseum was the central part of the Civic Center and was considered Hartford's main attraction. It was also home to the New England Whalers professional hockey team. As a result of the disaster, the team was forced to schedule its remaining games at the Springfield Civic Center.

## Raindrops Keep Falling On My Head

Rushing down the halls of our beloved school, students have often been hit by misguided moisture. A sideward glance reveals streams of water rolling down unprotected walls. Students' eyes look down in an attempt to avoid the many puddles and scattered cans which line the hallways as well as the classrooms. Memories of Fermi's flat roof will last long after the rugs have dried — if they ever do!

## How Have Your Experiences At Fermi High School Helped You To Progress?

Throughout my years at Fermi I've gained much respect for a few outstanding faculty members. Through these people I've learned a great deal about life. My thanks to them.

Ed Yiznitsky

I think my relationships with both students and teachers at Fermi have taught me a lot about different kinds of people. Also, my athletic experiences have showed me the value of teamwork and self-discipline. I feel these lessons in life are as important as academic lessons because they shape the values and beliefs we will carry throughout our lives.

Doug Burn

When I arrived at Fermi, my meek musical interests were broadened by a growing spirit and a superior program. I went beyond my limits to improve in different areas of music. All that I've learned will take me far into life with a clear understanding and appreciation of music.

Ellen Wilber

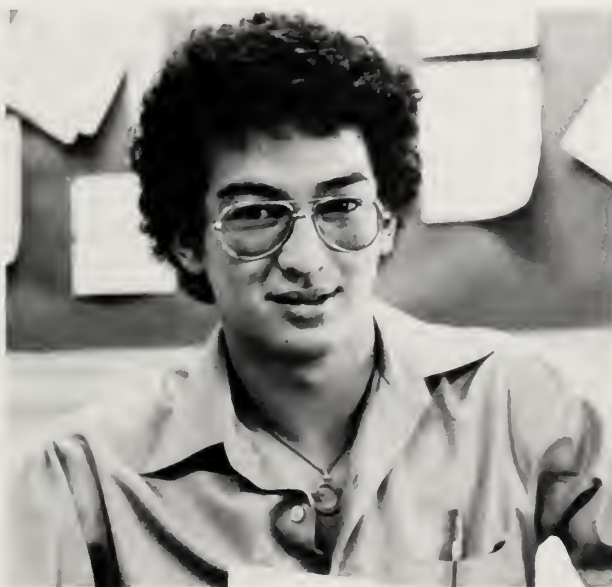

My experiences in Fermi have helped me progress most in the area of socializing. I have learned to understand the feelings of those around me, and I am less self-conscious now, when meeting new people.

Lisa Clark

My experiences at Fermi have allowed me to progress in that the opportunities available, academic, athletic and social, have brought me together with many different people with a wide range of interests. My years at Fermi made me realize that understanding people that are different and have different points of view is essential in order to progress later in life.

Joe Backus

Fermi has opened the door for me to a talent that I wished to develop. Fermi has given me a different outlook on my future as a commercial artist, thus giving me a better understanding of new medias, methods, and techniques. But, most of all, my experiences have taught me to have the self-confidence and the patience to continue with my studies as a professional.

A black and white photograph of a forest scene. In the foreground, a stream flows from the bottom left towards the center. The water is dark and reflects the surrounding trees. The banks of the stream are covered in dense foliage and trees. In the background, a dense forest of tall trees with bare branches rises up a hill. The lighting is dramatic, with strong highlights on the foliage and deep shadows in the forest. The overall mood is serene and contemplative.

This was our first year we had a boy qualify for the Class LL Regional Tournament. He is George Lombardo. George played number one singles and established a fine seven and seven record. He was also awarded the most valuable player for this year.

This year wasn't one of our best years as far as wins are concerned. Our record was two wins and twelve losses. I feel that experience was the major factor contributing to our losses. Three out of our seven starting positions were filled with sophomores who have never played any competitive tennis. And when a match consists of one team winning four out of the possible seven points, it becomes very difficult to compile wins. With the added experience gained this year, hopefully, next year, we'll have a few more of those wins.

Spring rolled around. Big turnout for tennis. Four seniors. Five juniors. Lots and lots of sophomores. All held the team to its perfect record. Diane Drouin among others excelled for the team this year. Despite the disappointing losses, team spirit remained high throughout the season. We're looking forward to a terrific season next year with many talented girls returning. Good try girls! Have a good summer!

## BOYS' BASEBALL "78"

Front row (L-R) John Baldyga, Bruce MacKay, Scott Marek, Brian McKeown, Todd Sawamura. Middle row (L-R) Tom Semanie, Mike Moriarity, Pete Derose, Mike Lupi, Ron Flaherty. Back row (L-R) Joe Natale, Wayne Greenough, Ed McMurray, Rich Fitzpatrick, Carl Sarno, Coach Ryczek.

This was an exciting team that did a lot of exciting things. A Fermi team record of 14 homeruns was set and Scott Marek, our MVP, set another record of 5 homeruns. Other Seniors — John Baldyga: Co-Captain .417 Batting Average, 4 HR. Bruce Mackay: Co-Captain .240 Batting Average, 2 HR. Todd Sawamura: .266 Batting Average, 4 positions, 1 HR. Brian McKeown: 3 Hits against Enfield.

We were disappointed by not making the State Tournament but showed some great Fermi spirit in every game. Good Luck to our graduating seniors.

Seniors Pam Thibodeau and Anne Lemeris, with Coach Sullivan.

The 1978 softball team is to be commended on achieving an 11-7 regular season record. The inexperience of such a large number of new team members showed itself in the 4-5 mid-season record. The acquired knowledge and increased effort paid off for a productive 7-2 second record. It is to the team's credit that Fermi again qualified for a fifth consecutive State Tournament berth.

My thanks to seniors Anne Lemeris and Pam Thibodeau for their continuing leadership and individual efforts to pass along the winning ways that have become a tradition for Fermi softball. It has indeed been a pleasure to have coached both of these players, and their abilities will be missed by all. Anne was named to the CCIL All-Star Team at third base and was joined for the honor by sophomore outfielder Leah Secondo.

The newly established junior varsity team, ably coached by Diane Teske, gained invaluable experience and many players should see varsity action in 1979. It is my hope that this program will continue to develop, thus providing more girls the opportunity to play softball for Fermi.

In a re-building year such as this was, I am most pleased with the progress made, and look forward to the coming season with much anticipation for an even stronger performance by this young team.

— Miss Sullivan

## BOYS' TRACK

First row (L-R) (caps.) John Cote, Bob Pfeifer, Brent Scoville, Rudy Burns. Second row (L-R) John Kirkpatrick, Fred Olko, Pat McIntosh, Bob Brewster, Mike Whalen, Greg Piepul, Jim Sroka, Leo Bastarache, Coach Bill Barker. Third row (L-R) Ray Percoski, Pat Baker, Tim Locke, Randy Kamay, John Diorio, Joe Donahue, John Liquori, Steve Provencher, Dave Hancock, Sam Panella, Mike McGlew. Fourth row (L-R) Mark Dupont, Larry Szeniaewski, Aaron Brooks, Keith Pliszka, Joe Slizis, Al Golab, Doug Fosberg, Al Babyok, Joe Zirolli, Tom Ceniglio.

The Boys' Track team is going to miss a large group of hard-working seniors. Most all of them have worked at their events for the past three years and the benefits of the practices and devotion paid off for them this year. Weightmen Bob Brewster, Greg Piepul, Mike Whalen and Brent Scoville all had successful years. Brewster set the discus record, Scoville placed third in the State Open and Piepul was the team M.V.P. Long and triple jumpers John Cote, Fred Olko, Rudy Burns and pole vaulter Scott Vinning all contributed to the field event success. Bob Pfeifer and Pat McIntosh held down the distance running with McIntosh breaking the 880 record. Rudy Burns and Jim Sroka were the senior sprinters helping to break the 4(110) relay record, and Sroka also broke the 120 High Hurdles record. The team's season ended with a 4-7 won lost record falling short by just a few points in some close meets. There are many talented underclassmen who aided this year's team and must fill the gap left by this year's seniors. With hard work and devotion those new records may be broken again next year.

Ready-Set-Go!

Fermi's Girls' Track Team showed great improvement over the 1978 season. However, the Falcons still managed just one CCIL victory, the win was a 95-28 trouncing of Enfield High.

Five girls were outstanding and qualified for the state sectionals: Debbie Dufficy, Donna Sanford, Laurie Gonzalez, Linda Holmberg, and Andrea Flanagan. Leading scorers for the team were Laurie Gonzalez, Donna Sanford, Linda Holmberg, and Lisa Grandonico. Tri-Captains, Donna Dube, Andrea Flanagan and Candy Parker worked very hard and provided the team with excellent leadership. Good-bye seniors and good luck. (Donna Dube, Andrea Flanagan, Candy Parker, Angela Cote, Marie Cote, Donna Draus, Debbie Dufficy, Lisa Grandonico, Pat Michalik, Ruth Sweet, Karen Thibodeau, Eevi Leskinen, and Karen Arneri)

(L-R) Bob Winch, Jeff Peltola, Dan Vershko, Warren Shane, Mike Hanrahan, Earl Ellis, Tony Wingen, Terry Bukowski, Keith Moriarty, John Lynch, Coach Lengyel.

This year's team compiled a 13-14 overall win-loss record and was 9-9 in the CCIL finishing in fifth place.

Senior Captain Earl Ellis, along with Mike Hanrahan and Dan Vereshko, played many solid rounds of golf.

Junior Warren Shane had a very impressive year. Warren was selected on the all-CCIL team and broke the following school records: Lowest stroke average — 77.3; lowest par plus — 5.5; best 10 par plus — 3.9; most birdies — 24; most rounds in 70's — 11; most consecutive rounds in the 70's — 8; lowest score — 71; lowest par plus round — 1; most birdies (one round) — 4; and the lowest 9 hole score — 34. Warren also qualified for the CIAC state tournament.

One down — seventeen to go!
